## Big Show Saturday.

The Great Gentry Bros. Circus will Exhibit in Clovis Saturday, April 11th.

After an absence of several years, Gentry Bros. famous shows which are so well known and so well liked in this country will be in Clovis on Saturday April 11th, for two performances.

Next to Santa Claus comes the Gentry Bros. Shows in the hearts and minds of the children, and to them, at least, this event will prove of more importance than any happening of the year.

There are many "grown ups" for that matter, who enjoy themselves more at a Gentry performances than they do at the bigger and more pretentious circuses. Distinctly in a class by themselves, Gentry Bros., holds a warm spot in the hearts of all amusement lovers.

It is a high toned, moral and entertaining exhibition and appeals especially to ladies and children. This is the first visit to Clovis in several years of these world renowned shows and every citizen of the community should attend at least one of the two performances to be given here.

One of the many big features to be seen will be a 'monkey fire

department,' and another feature is the 'monkey barber shop.' The big free street parade, which is said to be the prettiest pageant ever seen on public streets takes place daily at 11 o'clock.
